

Clarus Capital Closes \$25 Million Lease Facility with Leading Equipment Rental Operator

Clarus Capital Expands Growing Portfolio

Boston, Massachusetts – Clarus Capital (“Clarus”) announced today that it has completed a new \$25 million lease facility for a rapidly growing, national equipment rental company.

Clarus’ transaction team was led by its Head of Direct Originations, Matt Worman. “We are very pleased to bring this longstanding relationship to Clarus and look forward to continuing a successful partnership with this important client,” said Matt Worman, Head of Direct Originations at Clarus. “Clarus’ commitment is among the largest independent lease facilities ever provided to this growing platform. The team worked closely with management, resulting in a smooth, on-time closing,” Mr. Worman reported.

Clarus CEO Steve O’Leary added “This was a significant milestone for Clarus, and we appreciate the opportunity to support this impressive client’s growth. This dynamic client continues to successfully execute on multiple expansion strategies and demands equally strong execution from its finance partners. The Clarus team worked very well together and partnered with the client to close the transaction on a tight timeline. Clarus continues to identify and underwrite transactions up to \$30 million with confidence in our ability to deliver on our proposals. We look forward to additional opportunities to support this and other clients.”

About Clarus Capital

Clarus Capital is a commercial finance company specializing in delivering efficient capital solutions to finance tangible assets for non-investment grade middle market and large corporate borrowers. The Company targets investments up to \$30 million across a wide array of equipment types, industries and throughout the credit spectrum via a seasoned group of investment professionals with diverse risk management and structuring expertise. Clarus Capital was formed as a partnership between a proven leadership team and long-term institutional capital with the goal of building a comprehensive equipment finance platform that addresses the needs of U.S. middle market companies. The firm is headquartered in Boston, MA and has a nationwide footprint across the United States.
